POLICY

The Board may provide transportation to students who attend independent schools located within the boundaries of the School District.

REGULATIONS

1. Students who attend independent schools may ride District buses provided that:
 - a) there is room on the bus, and
 - b) the school that the students attend pays a monthly fee linked to the fee charged on public transit, payable to School District No. 8. Fees will be assessed annually and communicated to schools by March 15th.
2. In the event that space becomes unavailable, the independent school will determine which of its students will continue to ride the bus.
3. Busing requests from individual parents or students must be channeled through the independent school.
4. Supervision of students while waiting for a bus is the responsibility of the parents or the independent school.
5. Students who ride the buses must abide by the rules set out by the District and are subject to Board bus discipline procedures.
